From the M6

Exit the M6 at J39. Follow the signs to Shap village. Drive through the village. Just before leaving the village, before going over a railway bridge, on the left, there are signs to Haweswater. Take this road. Continue along this road for approximately 5 miles to Bampton Grange village. Pass the Crown and Mitre Inn on the right and cross over a bridge. Shortly after crossing the bridge take the first left turn. Take the first right turn signposted to Haweswater. Pass over a bridge to a staggered crossroads. Continue straight ahead (signposted dead end), up a steep hill for approximately 1.5 miles. Ignore 2 left turns that go to local farms.

DO NOT TURN OFF THIS ROAD (sat nav may indicate you are going off road).

Continue uphill through a silver gate until you reach a cattle grid and 2 millstones embedded in the wall on the left. Drive past the millstones and continue on the road to High Drybarrows farm.

On arriving at High Drybarrows farm the track bends left, through a gate, to Haweswater Cottage.
